

Nentico Centennial Award

Frequently Asked Questions

Baltimore Area Council, BSA

Q: What is the Nentico Centennial Award?

A: The Nentico Centennial Award (NCA) is designed to recognize members who recommit themselves to the ideals of the Order of the Arrow, increase their level of service to their unit and participate in Nentico Lodge's 100th anniversary celebration.

Q: Who can earn the NCA?

A: All Arrowmen, youth and adult, who are registered and in good standing with the Baltimore Area Council, Boy Scouts of America and Nentico Lodge can earn the award.

Q: What is the time period available to complete the NCA requirements and earn the award?

A: Requirements must be completed and approved between June 30, 2021 and December 31, 2022. A nine month extension (to September 2023) may be granted to new members inducted in August & September 2022.

Q: Is it true you must be a Brotherhood member to earn the NCA?

A: Within the 'personal growth' category, all members are required to be or attain Brotherhood membership in order to earn the NCA. All Arrowmen are encouraged to obtain Brotherhood membership after waiting at least six months following their Ordeal. Any Arrowman inducted as an Ordeal member after June 1, 2022 may be granted an extension to complete this requirement.

Q: What is considered a Lodge, Section, Council or BSA training course?

A: For youth, suggested courses include Introduction to Leadership Skills for Troop, National Youth Leadership Training, National Advanced Youth Leadership Experience, National Leadership Seminar, Powder Horn, Kodiak Challenge, Sea Scout Experience Advanced Leadership Training (SEAL); Adult Arrowmen and Youth Arrowmen over 18 years of age should complete an Adult BSA training course. Suggested adult training courses include Wood Badge, IOLS, University of Scouting or any course at the Philmont Training Center, the Summit Bechtel Reserve or Florida Sea Base; Youth Protection training does not qualify, as it is required annually.

Please note that this list is not exhaustive and a full list of BSA youth leadership training courses may be found online. Youth and Adults are encouraged to discuss with their respective chapter adviser the training that they plan to use in fulfillment of this requirement. For a full list of non-Youth Protection, position-specific courses, please visit www.scouting.org/training.

Q: What qualifies as contributing "(1) day of service (BSA, Lodge or Chapter)?"

A: Any service project sponsored or planned by some level of the BSA (i.e. the local unit, district, OA chapter, Nentico Lodge) qualifies. The service should benefit community organizations, the local council, a council camp, or publicly owned lands. A 2021 "Summer of Service" project would fulfill this requirement. Any day of service used for this requirement cannot be used to fulfill another requirement (e.g. Lodge Service Day if counted as the Centennial Event; Jingle Bell Beaver Day if used to fulfill Member Engagement / Service # 9.)
