Dulaney@nentico.org.

Ordeal 3 August 23-25

The Dulaney Chapter is running Ordeal 3 and needs your help. We still need Elangomats and general staff to sign up so please do so at the upcoming Chapter meeting.

MEMES

By Outsourced Writer

The Dulaney chapter is lagging behind on the social media front and the Publications team is requesting your help.

Do you have a great idea for memes? How about some OA meeting or event pictures? Or do you have some Scouting/OA jokes you would like to share?

Contact the Publications Chapter Advisor (Dennis Sheaffer) at the email address below and you may see them posted on our Instagram chapter page [@dulaneyoa](https://www.instagram.com/dulaneyoa).

Mr. Sheaffer's email is
dlt_sheaffer@msn.com

Lodge Service Day

Thank you to all those who participated in this year's lodge service day, Dulaney had an excellent showing. Broad Creek is very grateful for your help.

April Chapter Meeting

By: Graham L.

Another month has ended and with another great chapter meeting this time focusing on a GPS obstacle course in a challenge dubbed the OAzing Race.

Teams were given coordinates for various locations around Havenwood church and using GPS apps on their phones were able to locate the members of the leadership team placed around the property. Competing for a mystery prize teams hurried in order to be the victors of the event. The mystery prizes ended up being an onion and a bag of candy, but either way teams enjoyed the chapter meeting.

Thank you to Elliott for a successful event and make sure to come to our next chapter meeting May 28th for more fun like this.

Conclave 2019

Hopefully everyone is looking forward to this year's Conclave at Camp Snyder. This annual section wide event looks like it will be a lot of fun this year. Be prepared for carnival games, climbing walls, food trucks, opportunities to meet national officers and fellow arrowmen, and brotherhood. This year's theme is the FUNdamentals of Service so be sure to sign up. If we get enough sign ups, our Lodge Chief will shave his head and paint red arrow on it which is another great reason to sign up. We hope to see all of you at this year's section conclave just follow this link: <https://scoutingevent.com/220-2019NE6AConclave#>

Pictures that show what is in store for this year's conclave.

Spring Fellowship

By Graham Lucas

Spring Fellowship saw the kickoff of the Avatar the Last Airbender competition where the members of the four clans, earth, air, fire and water, competed in various competitions to win points for their clans. The entire event was a fun opportunity to build kinship between brothers.

The Dulaney chapter is part of the earth clan and is currently in last place in the competition. Earth won the ultimate frisbee competition and should have won the advisor air guitar contest as our advisors were far more musically talented. Unfortunately, due to extenuating circumstances outside anyone's control, a false conclusion was reached on who should have won. It also failed the kite building contest along with the other three nations due to the lack wind. Other activities included volleyball, a magic the gathering tournament, and basketball.

Despite these early losses, a good time was had by all and great food was consumed by all. Make sure to sign up for picnic and Fall Fellowship to secure a Dulaney Victory but most importantly have more fun. Thanks to the lodge committee for planning such a wonderful event.

Last month's Spring Fellowship brought the chapter four new Vigil Honor members. The Vigil Honor was bestowed upon Brennan H., Miguel I, Julie K. and Ian M. Pictured below are our new Vigil Honor members and their sponsors.
